## 2023 D&P Communications Scholarship

D & P Communications, a local business, gives back to the community it serves by awarding post – high school scholarships to the students of Blissfield High School. Mr. Dave LaRocca has announced that his company will award six scholarships in the amount of \$500.00 each to current graduates of BHS who are attending two or four year colleges next fall. Applicants should have a 2.0 or higher G.P.A., show verification of community service, and have demonstrated a good work ethic. A recommendation from a teacher should verify the above. The student must give proof of his/her college matriculation when collecting the scholarship. This must be completed during the summer following graduation. Scholarship awards will be announced at the Academic Honors Night.
