Dear Students and Parents:

Part of our VIP curricula involves community service exploration. Each student will be required to complete a minimum of five hours of community service per semester in order to earn credit for VIP. Community service is increasingly becoming a requirement on scholarship applications and college entrance forms but even more importantly, it is our hope that students will realize the importance of giving back to others and the satisfaction that is derived through it.

When planning your activity, please remember that the following situations **do not** qualify:

- ❖ Paid or stipend service
- ❖ Fundraising benefiting a school club or organization
- ❖ Service benefiting a family member
- ❖ Involvement for/in athletics and extra-curricular activities

If you have any questions, please contact my office at 517-486-2148.

Sincerely,

Chris Jones
