

Series 4000: District Employment

4600 The Superintendent

4604 Absence/Incapacity

If the Superintendent is physically or mentally incapacitated or if there is reason to believe that the Superintendent is unable to perform the duties of the position, pursuant to the Superintendent's individual employment contract and in accordance with federal and state law, the District may require the Superintendent to provide medical information or undergo a physical examination or psychological assessment to determine the Superintendent's ability to perform the duties of the position.

The Superintendent is a key employee as defined under the Family Medical Leave Act (FMLA), whose FMLA leave is limited to 12 weeks (60 work days). See Policy 4106.

If the Superintendent is incapacitated and has not requested leave or if there is reason to believe that the Superintendent cannot perform the duties of the position, the President, after consulting with legal counsel, may place the Superintendent on paid administrative leave pending review by the entire Board. The Superintendent's placement on paid administrative leave will be temporary while the Board determines appropriate action.

The President, subject to review and approval by the entire Board, may appoint a certified and qualified person as the acting Superintendent until the Superintendent can return or a successor is hired.

To promote accountability, where the Superintendent takes leave authorized by the Superintendent employment contract or District Policy, the Superintendent will notify the President and will maintain contemporaneous absence records.
